

# SWISS EDUCATION ACADEMY WINTER CAMPS 2025

Swiss Language Camp  
Swiss Business and Hospitality Camp

# At SEA, we grow by discovering the world with a smile.

## MISSION

To provide opportunities for the next generation that inspire growth and shape futures with passion and purpose.

## VISION

Our vision is to deliver high quality education and experiences to tomorrow's world changers, and to equip them with the necessary tools for a brighter future.

## VALUES

### Grow

We're here to challenge and inspire. Our goal is to propel students out of their comfort zones, offering activities and training that develop skillsets. At SEA, It's not just about what you learn; it's about who you become.

### Discover

Our students don't just attend classes; they embark on a journey of discovery. During their stay, we offer students a multicultural experience through interaction with students from all around the world and by immersing them in the rich culture of Switzerland.

### Fun

Education should be exciting. We bring joy and laughter into the learning experience, creating an environment where engagement is high, inspiration is nurtured, and fun is always on the menu. We believe that enjoying the process of acquiring knowledge is just as important as the knowledge itself.

## **A word from the Head of SEA**

Dear Parents,

Here we are, gearing up for 2025 with great excitement. It already feels like a year we'll all remember. Our recent summer camps were a wonderful success, and we couldn't have done it without your trust. Thank you for letting us care for what matters most to you—your children. We're truly honored, and we never take that for granted. That's why we're always looking for ways to improve, creating new programs and enhancing the experience at our facilities.

At Swiss Language Camp (SLC), our goal is simple: offer high-quality programs that are available to as many students as possible. To make this happen, we focus on creating a safe, welcoming space where everyone feels accepted and encouraged to take on new challenges. Summer camps are all about making friends, and to foster that, we work hard to build a culture of inclusion—bringing students together from all walks of life, different cultures, and backgrounds. We've seen so many beautiful friendships begin here, and it's one of the things we love most about what we do.

In our Swiss Business & Hospitality Camp, we aim to provide world-class education. Our dedicated lecturers, who usually teach at bachelors and masters levels, put in a lot of work behind the scenes to design engaging curriculums. Our goal is to give students a taste of what it's like to study at some of the best schools in Switzerland—and who knows, this might just open the door for future opportunities.

With more than a thousand students and over 60 nationalities joining us each year, our camps are like traveling the world in one place. We'd love for you to be part of it in 2025.

Will  
SEA Manager

Néhémy  
Head of SEA

SEA Coordinator

## **Camp Information**

**Dates:** January 12th to March 8th 2025  
(weather and availability dependent)

**Location:** SHMS - Av. Léopold de Reynier 2, 1854 Leysin

**Ages:** Swiss Language camp 10-20 years old  
Swiss Business and Hospitality camp 16-20 years old

A **Winter Camp** with **Swiss Education Academy** is sure to be an unforgettable experience. Improve your language skills or understanding of the world of business and hospitality and take part in exciting activities with new friends from around the world, all the while surrounded by the magnificent Swiss Alps.

Breakfast is followed by exciting, practical morning classes. After lunch, head out on your chosen excursion to experience some truly special activities. Once back in camp, enjoy a healthy and delicious dinner before some free time which is then followed by our relaxing evening program.

At the end of your time in camp, you'll receive a certificate at our graduation ceremony whilst being cheered on by your new friends. All this makes for a winter camp to remember.

**Note:** Adaptations can be made for groups wishing to include different activities. This will only be done if the number of students is sufficient and should be discussed in advance. In addition, students who are staying for more than one week will be given the option of either a Saturday excursion or ski day. Ski day will be an additional charge. Sunday will be arrival day, and no off-campus activities will be organized for this day.

## Practical Information

### Course Outline

Classes take place in the mornings, **Monday to Friday**, in the form of four 45-minute lessons, for a total of **20 lessons** per week. Our team of qualified and experienced teachers provide engaging and intriguing lessons. The small number of students in each class (average 12) ensures that each learner gets the necessary care and attention needed to progress. Each study week will be themed around a topic with students focusing on various areas of language acquisition and immersive learning. **Swiss Language Camp** students can choose from either **English** or **French** classes. **Swiss Business and Hospitality Camp** students can choose either **Swiss Hospitality Revealed** or **Entrepreneurship and Leadership** classes.

### Evening Activities

Evenings at camp are a great opportunity to relax and spend time with your new **friends**. After busy days our evening activities are more relaxed and include activities such as movie nights, quiz nights, and karaoke. We encourage all students to take part in the evening activities as they are a great way to **socialise** and create a sense of **community** within the camp.

### Certification Ceremony

On Friday, the evening opens with a graduation ceremony with the presentation of **certificates**, followed by a disco in our own on site club.

### Accommodation

Our Winter Camp students are accommodated and attend classes in **Mont Blanc Palace**, a former hotel. It is within walking distance from the village centre and various sporting and entertainment facilities. The building is equipped with modern classrooms, wi-fi access, a reading room, a comfortable reception area, a cafeteria, a panoramic terrace, the "Club Maxx" disco, and a games room. In between activities, students can enjoy the lounge area, where they will be able to enjoy various board games, table tennis and foosball.

Students stay in **standard double bedrooms** and the cost of the room is included in the price of the program. Each room has its own **private bathroom** and lavatory, and is cleaned by onsite personnel once a week during the stay.

### Meals

A busy day of classes and activities can not be achieved without **healthy food**. Our chefs make varied menus on a daily basis, to make sure our students have all they need to **enjoy** the day. Our chefs can cater to all **dietary requirements** so please make us aware during the application process.

From **Monday to Friday** we offer three meals a day: breakfast, lunch and dinner. Each meal is in the form of a buffet, with salads, main courses, dessert, fruits and beverages. Students are free to help themselves.

**Saturday and Sundays** are days made for relaxing. Breakfast and lunch make way for an enjoyable brunch, also in the form of a buffet. The afternoon activity is followed by dinner as usual.

### Your safety and wellbeing are our top priority

Our learning environments are designed to be **safe, inclusive, and fun**. You will live and learn alongside fellow students from around the world, discovering different **cultures** and making **new friends** along the way. You will receive supervision and guidance from enthusiastic, **fully qualified professionals**, so you'll feel confident that you are cared for and well looked after. All staff submit clear criminal records and we conduct thorough background checks before we hire.

The closest hospital is 30 minutes away and helicopter rescue is also available within 20 minutes from anywhere in Switzerland. It is compulsory for all of our students to have **health** and **accident insurance** valid in Switzerland. EU members will be covered by their respective states, and we offer health and accident insurance for all non-EU participants.
